

# WA STATE TRAUMA CONFERENCE 2022

## *Prevent, Provide, Progress*

### Rural Scholarship applications now open

The Trauma Service at Royal Perth Hospital values the enormous contribution made by rural medical, nursing, allied health and pre-hospital to the outcome of trauma patients.

Difficulties and expenses faced in travelling WA's vast distances in order to attend educational activities such as this are also acknowledged.

We would therefore like to offer 3 individual conference registration scholarships, to attend the WA State Trauma Conference 2022 – Prevent, Provide, Progress.

The scholarship will provide delegate registration to the conference on Saturday 26th and Sunday 27th November 2022 (value \$210).

### Eligibility

To be eligible for this scholarship, applicants must be health care professionals who reside more than 100kms from the Perth CBD.

The following application form must be completed and received by email no later than 31 July 2022. Forward completed application to: [statetraumaoffice@health.wa.gov.au](mailto:statetraumaoffice@health.wa.gov.au)

Successful and non-successful applicants will be notified in time for the early bird registration deadline of 30 September 2022.
